

## **Tackling food insecurity promoting sustainable and socially inclusive food and agriculture ecosystems**

The project aims to escalate and replicate across Europe the best practices and innovative methodologies displayed by the Consortium organisations tackling food insecurity, while promoting a sustainable and socially inclusive food and agriculture ecosystem.

Funded by the Erasmus+ program. Coordinated by ABD (Spain) in collaboration with IASIS (Greece), Land Impresa sociale (Italy), Estrategies de Qualitat Urbana (Spain), ACRA (Italy) and Reseau International Urgenci (France).
